INSURANCE COVERAGES (Employer/ Community partner information)

Safety is a core value at NSCC, and it is important that our students are in safe working and learning environments while on work or service learning experience.

NSCC students have insurance coverage through the Student Accident Insurance and the School Insurance Program (“SIP”). For international students and activities, additional Student Guard insurance for students is mandatory and the cost is covered by NSCC.

NSCC requires that Employer/Community Partners carry general commercial liability insurance of at least two (2) million dollars. This not only protects our students, but also demonstrates that the Employer/Community Partner promotes a safe workplace and risk management practices. For any paid work experiences where the student is considered an employee, the Partner must be eligible for Workers Compensation Board (WCB) coverage, unless exempt under the *Worker’s Compensation Act*.

LIABILITY AND INDEMNITY

NSCC confirms students have insurance coverage through the Student Accident Insurance and the SIP. For international students and activities, additional Student Guard insurance for students is mandatory and the cost is covered by NSCC.

The Employer/Community Partner agrees to maintain a commercial general liability policy for two (2) million dollars and agrees to provide proof of insurance upon request from NSCC. **ADD INITIALS TO CONFIRM**

The Employer/Community Partner agrees to indemnify and save harmless NSCC, its employees, students, agents, and contractors from any and all damages for bodily injury, personal injury and property damage to which NSCC, its employees, students, agents and contractors may become subject or liable or as a result of the negligent acts, omissions, default, conduct or neglect of the Employer/Partner, its employees, agents, or contractors unless such negligent acts, omissions, default, conduct or neglect are occasioned by the specific direction of NSCC, its employees, agents, or contractors.
